GOVERNMENT STATUS REPORT

Following on its July 12, 2024 status report (ECF No. 215), the United States of America (the “Government”) respectfully submits this further status report. The Government and The Boeing Company (“Boeing”) have made substantial progress toward memorializing their agreement in principle in a written plea agreement, but will not be able to finalize the agreement by tomorrow. Based on the work that remains to be done, and accounting for the corporate formalities attendant to finalizing the plea agreement, the Government expects that the earliest it could file the plea agreement is Wednesday, July 24, 2024. The Government will continue to work expeditiously in an effort to file that day, but if it cannot, it will submit instead a further status report to apprise the Court of the parties’ progress.

Respectfully submitted,

GLENN S. LEON
Chief, Fraud Section, Criminal Division
United States Department of Justice
